**NOTICE INVITING TENDERS FOR  
ESTABLISHMENT OF SKILL LABS IN DEPT. OF  
O & G SCB MCH CUTTACK**

**Composite MNH Skills Lab, O & G Department, SCB MCH**

**Introduction**

Sriram Chandra Bhanja Medical College & Hospital (S.C.B.M.C.H) is a pioneer medical institute in Eastern India as a tertiary care centre for service provision, teaching, training and research. SCBMCH is playing significant role, through its competent faculty, in capacity building activities of medical officers and staff nurses of Odisha and the Eastern India. Important capacity building activities for service providers from public healthcare system include Basic Emergency Obstetric Care (BEmOC) training, Emergency Obstetric Care (EmOC) training, SBA training, Dakshata, Navjaat Shishu Suraksha Karyakram (NSSK) training, Life Saving Anesthetics Skills (LSAS) and others.

Towards sustaining the quality of trainings imparted at SCBMCH such that the trained providers are competent and confident in providing quality care independently at their duty station, it is proposed to establish a Composite Skills Lab at O & G Department, SCBMCH. This Composite Skills Lab will have provision to include skills based instruction in the various RMNCH+A trainings especially BEmOC, EmOC and Dakshata training.

1. Name and Address of the agency.
2. The bidder must also attach promoters bio data and the certificate of incorporation of the company.
3. PAN card of the company.
4. An Affidavit sworn before first class magistrate stating that the firm has never been blacklisted and has never been convicted for any offence during last five years.
5. The Bidder should have registration in sales tax Office, Odisha . If the bidder is not registered in Odisha currently, she/he would have to do so on successfully contesting the bid.
6. Average annual turnover of the bidder must be Rs.50 Lakh in the last three financial years . The turnover is to be supported by audited financial statements of accounts (including balance sheet, profit and loss account, auditor's reports) for the past three fiscal years duly certified by the auditor of the Company.
7. Refundable Earnest Money deposit (EMD) of Rs.90,000 /- in the shape of account payee Demand Draft/ Bankers cheque from any Nationalized/commercial Bank favoring **“Superintendent SCB Medical College & Hospital, Cuttack”** to be deposited by the intending agency.
8. Income Tax Assessment Report for the last 3 assessment years .
9. The supplier must attach a user or existing client list for the mentioned equipments with the bid document.
10. The bidders must indicate in their bid the original manufacturing source for the various equipments, anatomical models and charts for the skill lab and must enclose necessary documents to this effect including product brochures along with quality standard certification. Bidders who are not primary manufacturers should provide evidence that their product offered in the bid conforms to the quality standards of the primary manufacturer and they have the capacity to supply the specified quantities. Bidder must specify the make of models & equipments the equipments must be of standard quality with all requisite parameters supported by quality certifications, in addition to the specifications of the lowest price schedule..

11. At the time of approval of tender PAC (Project Appraisal Committee) can ask for demonstration of models, medical/surgical equipments as and when required.

The second part i.e. **Financial Bid**. The financial bid (Price bid) has to be properly sealed separately along with duplicate, super scribed as “ Price bid for Tender Skill Lab-Models, equipments , instruments and supplies” and shall contain details of the Itemized rate quoted Printed Sheet (not hand written) inclusive of all taxes/duties/ levies and transportation charges etc. detailing each component of the price separately.

- The rates should be quoted with breakups as per planning of the tender in both words and figures without cutting & tampering, but for deciding price, the compact value of the equipments as a whole (not item wise rate) and quality thereof would be taken in to account. Transparent tape should also be applied on rates quoted.
- Rate of each items is to be quoted with complete details of specification/features, make (Name of the Manufacturer) and Model.
- Rates are For (Free on Rail/Road) destination.
- Cutting, fluiding and overwriting, even with signature of the bidder is not admissible.
- Each page of „Financial Bid“ is duly marked, signed, and sealed. Prices quoted by the Bidder shall be “*fixed*”.

## **TERMS & CONDITIONS OF TENDER**

Bidders should read these conditions carefully and follow these parameters strictly before submitting their tenders. In case a bidder has any doubts/reservations regarding the terms & conditions and specifications therein, the same can be raised before the Hospital Manager ,SCB M.C.H Cuttack, on or before the pre-bid meeting for seeking clarifications to avoid any further disagreements as such.

The intending bidders may also submit their complete proposal for establishing skill labs subject to under mentioned terms and conditions.

### ***Note:***

1. Bid shall remain valid for **four months** from the date of publication. A bid valid for a shorter period shall be rejected by the purchaser as non-responsive.
2. The bidders need to submit a certificate in this regard duly signed by its authority/authorized representative.
3. Tenders not accompanied by the requisite bid security (EMD) indicated in the tender document will summarily be rejected.

4. The bid security of the successful Bidder will be returned when the Bidder has signed the Contract and furnished the required performance security. The successful bidder has to submit the performance security within 30 days of the receipt of notification of award from the office of the Superintendent, Cuttack.
5. Bid securities of the unsuccessful bidders will be returned to them at the earliest after expiry of the final bid validity (Bid is valid for 4 months from the date publication) and latest on or before the 30<sup>th</sup> day after the bid validity period.
6. The bid security may be forfeited:
  - (a) if the Bidder withdraws its bid during the bid validity period; or when bidder withdraws or modifies the offer after opening of technical bids
  - (b) in the case of a successful bidder, if the Bidder fails within the specified time limit to (i) sign the contract, or (ii) furnish the required performance security or (iii) when bidder does not execute the agreement prescribed within the specified time and iv) when there is violation of agreed upon contract.
7. The performance security deposit shall be forfeited in case any terms and conditions of the contract are infringed or the bidder fails to make complete supply satisfactorily or complete the work within the delivery / completion period agreed in the contract without prejudice to the purchaser's SCB authority right to take further remedial actions in terms of the contract and bidding documents which formed part of the contract.
8. After submission of tenders, at first, technical bids will be opened by a duly constituted Technical Bid committee on the due date of opening of the tender and subjected to technical evaluation thereafter. Only those bidders found successful on technical evaluation will be considered for opening and evaluation of financial bids by the PAC (Project Appraisal Committee)/financial evaluation committee.
9. The bidder will have to ensure free demonstration of the equipments for skill labs at a pre-determined place after award of tender within two weeks of the placement of

work-order to satisfy its members for technical acceptability as per the tender specifications. No compromise will be acceptable as regards to the quality, durability, & guarantee of the fabrication and equipments. In case the bidder fails to demonstrate the equipment before the PAC within the allocated timeframe, or fails to supply the desired equipments, mannequins etc. for the skill labs within the delivery period, (within 4 months of awarding of Contract) the authority of SCB reserves the right to cancel the placed order, and forfeit the earnest money.

10. The Purchaser will award the contract to the successful bidder whose bid is found to be substantially responsive and the lowest on evaluation.
11. The bidder will submit an undertaking on non-judicial stamp paper worth of Rs. 100/- that “The bidder will go for mutually agreed AMC for five years after the expiry of warranty period”. The warranty period is to be specified by the bidder especially for the equipments, mannequins.
12. In case, any bidder is found guilty of forging/tampering any document / certificate, the firm is likely to face legal action against them under laws of the land including forfeiture of their earnest money.
13. Details of documents enclosed with the tender forms should be mentioned in proper Index serial wise (as per tender document) duly flagged on the front page of the tender.
14. No conditional tender shall be accepted. Hospital authority, reserves right to accept or reject any tender/ quotation without assigning any reasons thereof.
15. The approved firm/bidder shall be bound to deliver service within the time frame as per the contract. If the delivery is not effected on due date, authority will have the right to impose penalty of the total cost of the supply order @ 2% for each week subject to the maximum of 15%.
16. The successful bidder is bound to supply the same on the rates once quoted and approved by Hospital authority.

17. All the terms and conditions of tender notice shall form part of the supply order/agreement even if they are not explicitly mentioned therein..
18. After delivery, if it is found that equipments supplied /fitted in the skill lab is not in consonance with the specifications approved by the PAC, the ACTION AS DEEMED FIT WILL BE TAKEN AGAINST THE FIRM by the order of Superintendent,SCB MCH ,Cuttack.
19. All the equipments supplied should be of the best quality, specification, and trademark, and in accordance with the approved standard, catalogue, and samples. Any change in the fitted equipments without approval is liable to be replaced by the supplier at its own cost.
20. The bidders shall be responsible for the proper delivery of items for skill lab. In the event of any loss, damage/breakage, the bidders shall be liable to make good such loss/damage found at the checking/inspection/verification of the skill lab by the authority officials, no extra cost on such account should be admissible.
21. In case of any dispute/ difference or doubts between the SCB office and the approved suppliers arises, the orders of the Mission Director,NHM.
22. 100% payment towards the cost of equipments shall be made to the supplier only after the receipt/verification of installed equipments and that too within 30 days of the submission of the Bills.
23. PAC holds the right to accept or negotiate as regard the reasonability of rates subject to the approval Superintendent SCB M.H ,Cuttack
24. Any claims, question or objections / grievances in respect of this tender should reach prior to the Pre-bid meeting after which no claims/ objections will be considered.

25. The bidders would in no case be allowed to correct or replace or vary the document/s once filed along with the bid. An agreement to that effect will be signed with the successful bidder after final short listing and award of contract.
26. Hospital authority reserves its right to accept or reject any or all bid/s, and vary any terms/ matter of the bid or annul the bidding process itself at any time without assigning any reason thereof.
27. Non-adherence to these stipulated conditions may lead to non-consideration of the bid.
28. Legal proceedings that may arise at any time shall be subject to the jurisdiction of Hon'ble high court only.

I/We have read the above terms and conditions and I/We agree to abide by the same.

## **GENERAL SPECIFICATIONS DESIRED FOR ALL MANNEQUINS**

- The colour of the mannequin should be in Caucasian simulating Indian babies / adult in medium skin tones.
- The material of the mannequin should be of **polyvinylidene silicone rubber free from any carcinogenic agents**.
- The texture of the mannequin should be soft and smooth and close to the feel of baby / adult skin as relevant. The texture must be friction free to demonstrate the desired procedure.
- The internal parts of mannequin must be realistically sculpted, anatomically accurate and feel must be smooth / resilient / bony as relevant and suitable for simulation.
- The mannequins must be portable and any fittings used in mannequins must be of **aluminum or polycarbonate** or equivalent.
- The mannequin's durability must be of **minimum 3 years (Warranty Period)**.
- The material of mannequin should withstand extremes of temperature (upto **45 degree Celsius**).
- The supplier must ensure manufacturer's warranty / guarantee against the specifications and also manufacturing defects.
- The manufacturing units must have an internal system of quality control and suppliers should product the process and certificate from the manufacturers.
- The supplier will be responsible for service, maintenance, replacement, etc against any complaints up to the satisfactions of the users irrespective of the location of manufacturing unit.
- The supplier must ensure the availability of on-call service against from state headquarters within 48hours, from local within 24 hours, from outside state within 7 days and incase of problem is not rectified on site at the time of service then its need to be rectified within next 7 days for minor defects and within 28 days for major defects.
- The **warranty** for mannequins must be **three years** from the date of receiving at consignees address.
- All mannequins should include a **soft / hard carrying case** and study questions, do's and dont's, instructions manual, maintenance guide, background information, videotape for demonstrating the use of mannequin, user manual with trouble shooting guidance, technical manual with maintenance and first line technical intervention instructions and any other relevant teaching / training materials in English.
- The mannequins should have additional accessories as listed and also **talcum powder or silicone gel** to avoid friction, list of accessories and spare parts cost and contact details of its supplier preferably within State.
- The supplier / manufacturer should list the name and address of technical service provider in India.
- The payment of the mannequin is linked with installation at consignee address, demonstration to service providers at consignee address and certificate of installation and functionality by the head of the concerned department.
