2. Date of Receipt & Opening of Tenders/ Bids:

a) Last date and time of receipt of tenders: - within 21 Days of Publish of Tender

b) Date, time & venue of opening of Technical bids: Office of the Dean & Principal, SCB Medical College, Cuttack

c) Date, time & venue of opening of price bids (To be Notified to the technically qualified Vendor(s)/ Bidder(s) later)

(If the above stated opening or closing date(s) happens to be Govt. holiday(s)/BANDH, the submission/opening of the tender will be on the next working day as per the time scheduled).

d) Cost of Tender paper: Rs. 5000/- (Rupees Five Thousand Only) only in shape of Bank Draft drawn in any Nationalised Bank in favour of Dean and Principal, S.C.B. Medical College, Cuttack payable at Cuttack to be enclosed in separate envelop superscribing “Tender Fee”:

The name of the technically qualified Vendor(s)/ Bidder(s) against each item will be available in our Notice Board as well as on our website. The reason of rejection of the technical bid of a firm for an item will also be available along with the names of the firm(s) qualifying the technical bid.

The interested bidders or their authorized agents may remain present on the above concerned Technical bid & Price bid opening days at the scheduled time. Nobody will be allowed to participate in the opening of tenders without authorization letter. Representatives should bring the authorization letters from their respective vendors for attending the tender opening.

Amendment of Bidding Documents: At any time prior to the deadline for submission of bids, the Dean & Principal may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the bidding documents by amendment. Such amendment will be hosted on the website of this Institute prior to the deadline for submission of the bids. All prospective bidders are expected to keep themselves updated with any possible amendments by regularly visiting the said website and such amendments will be binding on the bidders. In order to allow prospective bidders reasonable time in which to take the amendment into account.

3. Preparing their bids, the Dean & Principal, at its discretion, may extend the deadline for the submission of bids. Any queries/clarifications regarding the contents of the Bidding Documents should be addressed to the Dean and Principal, S.C.B. Medical College, Cuttack well in advance and should be received in this office before the scheduled dates. Queries/clarifications should be sent in advance by Post/e-mail. The Purchaser, however, will not be liable for non-receipt of such queries, etc.

4. Language of Bid: The bid prepared by the Bidder, as well as all correspondence and documents relating to the bid and exchanged by the Bidder and the Purchaser, shall be written in English language.

5. Documents Comprising the Bid: The bid is required to be submitted in two parts with the bid letter. The first part is the Technical Bid and the second part is the Price/Financial Bid. The original and all copies of the bid shall be typed or written in indelible ink and shall be signed by the Bidder on a person or persons duly authorized to bid the Bidder to the Contract. All pages of the bid, except for un-amended printed literature, shall be initialed by the person or persons

[Signature]

Dean and Principal
SCB Medical College, Cuttack
signing the bid with their firm’s seal. Any interlineations, erasures or overwriting shall be valid only if the persons or persons signing the bid initial them.

6. TECHNICAL BID: This part of the tender shall include/contain all technical details, technical specifications, drawings and also the commercial terms and conditions of contract for the supplies to be made and the services to be rendered EXCLUDING ANY PRICE DETAILS THEREOF. Technical bid should contain/include only technical specifications, technical details, literature, reference to earlier supplies of similar items, drawings, quantity, time required for submission and approval of drawings, manufacturing and delivery schedule, inspection/testing procedure, itemized list of spares and quantity (without price) recommended by the tenderer for purchase, term of price, mode and terms of payment, mode of dispatch, the quantum/percentage of statutory levies payable by the Purchaser as extra and all related commercial terms and conditions for the supplies and for the services like erection and commissioning to be rendered by the bidders. This part of the tender i.e. Part-I (Technical) shall be enclosed separately in an envelope duly sealed and super scribed with the Purchaser’s tender number and the last date and time specified for receipt and opening indicated in the instruction sheet of this tender document. The bidder shall take special care NOT TO MIX UP the price of the stores in this part of the tender.

Bidders are required to submit their technical bids in the technical bid format supplied to them (4 page format). The Technical Bid prepared by the Bidder shall include the following without indicating the price in the bid form.

(a) Technical Compliance Sheet & Service support details Form;
(b) Documentary evidence establishing that the bidder is eligible to bid and is qualified to perform the contract if its bid is accepted.
(c) Technical Bid along with the General Terms & Conditions of this tender duly signed in each page supplied to them.
(d) Manufacturer’s authorization form, Agency’s experience form, Declaration- General, Delisting Declaration and Financial Status statement of the Manufacturer/Bidder for the last three financial years.

The following documents in original (Self-attested with rubber seal, in case of Photocopies copies) should also be enclosed along with the Technical bid. In case of Photocopy, original documents for the following should be produced whenever required; otherwise tender submitted will be rejected at any moment.

(i) Technical literatures, brochures etc. supporting the above specifications or facilities. The Bidders/Vendors are requested to attach a signed document regarding compliance of all technical features highlight/underline the specifications in the Technical Brochure as per the specification wanted by this Institution.

(ii) Authorization Certificate of the concerned company in your favour (or in favour of your firm through your principal dealer if you are a sub-agent) to sale /service/giving Annual Maintenance Service for the above item(s) should be enclosed along with the tender; otherwise the same will be rejected. If you are a sub-agent of a principal dealer of the main company, then a letter from the principal dealer for giving direct service/AMC to this Institute by them should be enclosed otherwise your offer will be rejected.

(iii) Document supporting both past and present status of both the Manufacturer and Supplier.
(iv) Valid PAN Card and GST Registration copy. GST Returns/ITRs for last 3 years.

(v) Valid proofs of any orders without disclosing the price received from various Govt. /Semi-Govt. /P.S.U. etc. for supply and installation of the same make and model of scientific equipment. The satisfactory supply and installation certificate duly issued by the competent authority of the said organizations should be enclosed with the tender. Other than the rates quoted by the firms, priority of selection will be given on basis of these credential certificates.

(vi) Service facility beyond guarantee/warranty period i.e. after sales service condition/Annual Maintenance Contract may be indicated clearly including the cost of such service and name of the firm, their financial position and past performance who will give the same service. Whether any training is needed or is it included in package deal, including technical and scientific literature, please indicate. Any difference or variation in the brand name or specification from our specification should be clearly mentioned. Brochure/ Technical literature containing the detailed specification of the models quoted should be enclosed. Give detail specification of all parts and accessories to be supplied.

10) Manufacturer's name, makes, model, catalogue/part no. /code no. etc. of each item should be clearly mentioned. The items being quoted should be of Original Manufacturer and no non-standard item should be quoted. All detailed specifications and make of the items to be quoted should be clearly mentioned and attached with the offer. In case of proprietary or patented item, necessary certificates in support of the same should be attached.

11) Please don't provide any type of price information or information about the total amount of EMD given by you in the technical bid and don't submit EMD with the technical bid. If found so, the tender will be rejected in the spot of opening of tender and no request in the matter for reconsideration will be entertained.

12) The consignment has to be delivered at this Institute and properly installed. Any freebies to be supplied with the equipment/article should be clearly mentioned.

13) If the rates are included of excise duty/customs duty then the rates may be shown separately.

14) Space, electrical load etc. needed for the instrument/equipment/article may also be indicated along with the Technical bid.

15) To make the equipment operational, does it need any additional and essential accessories? If so, then please submit the list of accessories to be given by including the cost of those essential accessories only in the main unit.

16) If the equipment/article is a proprietary one, then supporting documents with the following undertaking in your letter head are to be provided along with the Technical bid.

(Undertaking: Similar type of equipment/article in same name for similar work is not manufactured by any other company. Such equipment/article with same specification is not available in the market as an assembled unit, assembled by parts procured from different manufacturers/suppliers. The equipment/article with even slight deviation from this specification wanted by this institute will also not available with any other manufacturer/company. Such equipment/article is solely manufactured by us (our Principal).

If the above make/model is approved by the Director of Export Promotion and Marketing, Odisha/ Director General of Supplies and Disposals (DGS&D), Govt. of India then supporting
document (valid proofs) may be furnished along with the Technical bid. If you are quoting the price on the above rate contracts, then please send a copy of the same.

17) Inspection methods and quality control standards.

18) Guarantee/Warranty:

a) Each equipment/article should have at least two years warranty / with five years of free CMC including free replacement of any faulty parts, service and maintenance or as per the guarantee/warranty card along with CMC card from the date of successful installation at MRU, S.C.B. Medical College, Cuttack. Guarantee/Warranty along with CMC for a shorter period will be rejected by the Purchaser as non-responsive. Preference in selection other than cost of the equipment (to be assessed by this institute) will be given for those firms opted for guarantee/more years guarantee/warranty. The Supplier warrants that the Goods supplied under this Contract are new, unused, of the most recent or current models and those they incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The Supplier further warrants that all Goods supplied under this Contract shall have no defect arising from design, materials or workmanship (except when the design and/or material is required by the Purchaser's Specifications) or from any act or omission of the Supplier, that may develop under normal use of the supplied Goods in the conditions prevailing in the country of final destination. The guarantee/warranty should be comprehensive on site, repair/replacement. Guarantee certificate should be submitted along with dispatch documents.

b) The supplier should provide the service manual, user manual & guarantee/warranty card along with the equipment, which should be handed over to the Nodal Officer, MRU, S.C.B. Medical College, Cuttack at the time of installation of the same. The Supplier has to train the Scientists/Technician regarding the operational procedure of the item as and when required during the free service as well as AMC period. Payment can only be made after receipt of the service manual, user manual & guarantee/warranty card by the Nodal Officer, MRU, S.C.B. Medical College, Cuttack, otherwise the security deposit submitted by the supplier will not be refunded.

19) PRICE/ FINANCIAL BID: The Vendor(s)/Bidder(s) are required to type the tender form format supplied to them on their/manufacturer letter head (as mentioned in Tender Paper) and to fill up (by typing/hand written) the same and to submit the price list of the items (if any). Any other rate quoted elsewhere except in the price format will not be considered for evaluation. Any price/financial bid not given in this institute format will be rejected. The performance statement cum manufacturer's authorization form (as per format) of the price/financial bid may be filled up and submitted with the price bid along with supporting documents, failing which the tender will be cancelled.

a) Shipment, payment and other conditions mentioned in the above format are final and any change will not be acceptable.

b) The price of the goods/facility for indigenous items should be F.O.R. destination including all charges like packing, forwarding, taxes, Govt. levies etc. Under no circumstances shall prices quoted for any other location be accepted. Quoted rate should be inclusive of all applicable statutory taxes and levies, supply, delivery charges, installation, insurance, inspection charges, commissioning and any other charges, if any.

c) The price should be inclusive of any Indian duties, sales and other taxes which will be payable on the goods if this Contract is awarded; the price for inland transportation, insurance and other local costs incidental to delivery, installation/demonstration and onsite training of the goods to their final destination. Under no circumstances shall claim for any additional taxes, levies, etc., be entertained.

[Signature]
Dean and Principal
SCB Medical College, Cuttack
once the final contract is awarded on the basis of the rates quoted. Prices will remain firm till complete execution of the order.

d) The rates quoted should be valid up to One Year A bid valid for a shorter period may be rejected by the Purchaser as non-responsive. In exceptional circumstances, the Purchaser may solicit the Bidder's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing (or by cable, telex, fax or e mail). The bid security/ EMD shall also be suitably extended. A Bidder may refuse the request without forfeiting its bid security. A Bidder granting the request will not be required nor permitted to modify its bid.

e) There should not be any deviation of the Price format.

f) Price/Financial bid must contain, not only the rates in figures, but must also be expressed in words. Any overwriting/using fluids/cutting in the Price bid will not be entertained. If there is any overwriting/using fluids/cutting in the price section then it should be authenticated (dually signed by the vendor near the same).

g) Bid Currencies: Prices shall be quoted only in Indian Rupees.

h) Negotiation for Freight & Insurance for Optional item(s): If one bidder is selected for more than one item of a particular manufacturer or supplier, then the CIF charges may be negotiated for freight, insurance etc. Packing, Handling, Freight and Insurance charges etc. will be negotiated for the Optional Accessories to be purchased, if required at the time of order.

i) EARNEST MONEY DEPOSIT (EMD)/ BID SECURITY: The EMD/ Bid Security is required to protect the Purchaser against the risk of Bidder's conduct, which would warrant the security's forfeiture. An earnest money 5% for each equipment to a minimum of Rs 5,000/- in shape of A/C payee Demand Draft of any Nationalised bank in favor of “Dean and Principal, S.C.B. Medical College, Cuttack” payable at Cuttack must be deposited along with the tender. The EMD should normally remain valid for a period of 90 days beyond the final bid validity period i.e. up to ...................... Please mention the item name & no. of the tender, your company name and address in the back side of the EMD draft for our reference. The EMD to the unsuccessful Bidder(s)/Vendor(s) will be returned to them at the earliest (within 30 days) after expiry of the final bid validity (..................) or latest on or before the 30th day of the award of the contract or order whichever is earlier. The earnest money of the successful Bidder/Vendor may be adjusted on request of the Bidder/Vendor with the following security deposit/ performance security. Bidder(s)/Vendor(s) exempted from paying EMD shall have to furnish the related valid documents for such exemption.

The EMD/ Bid Security may be forfeited:

(a) If a Bidder withdraws, modifies, revises, deviates from its bid or any of the terms and conditions of this tender enquiry document during the period of bid validity specified by the Bidder on the Bid Form; or

(b) In case of a successful Bidder, if the Bidder fails to furnish order acceptance within 30 days and/or fails to furnish Performance Security.

(c) The EMD is liable to be forfeited or parties who have opted for exemption from submitting the EMD, shall be barred for a period of one year from taking part in any tender floated by this institute in future, in the event of:

Dean and Principal
SCB Medical College, Cuttack
Non payment of Security Deposit, against LOIs / POs within the stipulated period of 30 days from date of placement of LOIs / POs.

23) SECURITY DEPOSIT (SD)/ Performance Security: The successful Bidder/Vendor should deposit a security money @ 10% of the total value of the order to a minimum of ₹10,000/- within 30 days of issuance of the order, otherwise, the EMD/ Bid Security deposited with the tender will be forfeited and the order placed will stand as automatically cancelled.

After receipt of the full Security Deposit/- in shape of A/C payee Demand Draft of any Nationalised bank in favor of “Dean and Principal, S.C.B. Medical College, Cuttack” payable at Cuttack, the same EMD draft submitted by the Vendor/ Bidder with the tender will be returned through speed post/ regd. post. The EMD of the successful Bidder/Vendor can also be adjusted on request of the Bidder/Vendor with the security deposit. Generally, the security deposit will not be refunded without satisfactory supply of all item(s) in all respect as per quality, quantity, and specification and moreover after 60 days, beyond the date of completion of all contractual obligation of the supplier including warranty/guarantee and extended warranty/guarantee obligation which will be calculated from the date of successful installation of the instrument/equipment/article. The security deposit/performance security furnished by the Bidder/Vendor will be refunded as per rule. However, security deposit/performance security is not required from Govt. Agencies/Govt. Co-Operative Stores /Govt. Super Bazaars/ Firms registered with NSIC and Central Public Sector Enterprises (PSE ) who are exempted from payment of EMD.

24) The EMD/ Bids Security and Security Deposit/ Performance Security should be submitted in Indian Rupees only in shape of A/C Payee Demand Draft of any Nationalised bank in favour of “Dean and Principal, S.C.B. Medical college, Cuttack” payable at Cuttack.

25) Modification and Withdrawal of Bids (Prior to deadline only): The Bidder may modify or withdraw its bid after the bid’s submission; provided that written notice of the modification or withdrawal is received by the Purchaser prior to the deadline prescribed for submission of bids. The Bidder’s modification or withdrawal notice shall be prepared, sealed, marked and dispatched. A withdrawal notice may also be sent by telex or cable or fax or e-mail but followed by a signed confirmation copy, post marked not later than the deadline for submission of bids. No bid may be modified subsequent to the deadline for submission of bids. No bid may be withdrawn in the interval between the deadline for submission of bids and the expiration of the period of bid validity specified by the Bidder on the bid form. Withdrawal of a bid during this interval may result in the Bidder’s forfeiture of its bid security.

26) Opening and Evaluation of Bids:

(i) The Purchaser will open all Technical Bids, in the presence of Bidders’ representatives who choose to attend, as per the schedule given in bid details. Financial Bids of only Technically Qualified bidders which will be intimated to them later. The Bidders’ representatives who are present shall sign the quotation opening sheet evidencing their attendance. In the event of the specified date of Bid opening being declared a holiday for the Purchaser, the Bids shall be opened at the appointed time and location on the next working day.

(ii) During evaluation of bids, the Purchaser may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing and no change in prices or substance of the bid shall be sought, offered or permitted. However, no negotiation shall be held except with the lowest bidder.
(iii) **Preliminary Examination:** The Purchaser will examine the bids to determine whether they are complete, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.

(iv) **Arithmetical errors** in the financial bids will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If the supplier does not accept the correction of errors, its bid will be rejected. If there is a discrepancy between the price quoted in words and figures, the **rate quoted in words will be taken as final and shall be binding on the agency.**

(v) The Purchaser may waive any minor irregularity, non-conformity, or irregularity in a bid, which does not constitute a material deviation, provided such a waiver, does not prejudice or affect the relative ranking of any Bidder.

(vi) Prior to the detailed evaluation, the Purchaser will determine the substantial responsiveness of each bid to the bidding documents. For purposes of these Clauses, a substantially responsive bid is one, which conforms to all the terms and conditions of the bidding documents without material deviations. Deviations from or objections or reservations to critical provisions such as those concerning Bid Security/Performance Security, Warranty, Force Majeure, Applicable law and Taxes & Duties, etc., will be deemed to be a material deviation.

(vii) If a bid is not substantially responsive, it will be rejected by the Purchaser and may not subsequently be made responsive by the Bidder by correction of the non-conformity.

*Note:* Rates quoted should indicate break-up of all items like packing, forwarding, freight, insurance charges, taxes etc. failing which the rates quoted shall be considered as all final all-inclusive rate.

27) **Contacting the Purchaser:** No Bidder shall contact the Purchaser on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded. If the bidder wishes to bring additional information to the notice of the Purchaser, it should do so in writing. Any effort by a Bidder to influence the Purchaser in its decisions on bid evaluation, bid comparison or contract award may result in rejection of the Bidder’s bid without prejudice to any other action against such bidder as deemed fit by the Purchaser.

28) **Post qualification:** In the absence of pre-qualification, the Purchaser will determine to its satisfaction whether the Bidder that is selected as having submitted the lowest evaluated responsive bid is qualified to perform the contract satisfactorily. The determination will take into account the Bidder’s financial, technical and production capabilities. It will be based upon an examination of the documentary evidence of the Bidder’s qualifications submitted by the Bidder as well as such other information as the Purchaser deems necessary and appropriate. An affirmative determination will be a prerequisite for award of the contract to the Bidder. A negative determination will result in rejection of the Bidder’s bid.

29) **Award Criteria:** The Purchaser will award the contract or place the order to the successful Bidder whose bid has been determined to be substantially responsive and has been determined to be the lowest evaluated bid, provided further that the Bidder is determined to be qualified to perform the contract satisfactorily. **11 will be decided on overall lowest quoted delivered cost basis.**

30) **Purchaser’s right to vary Quantities at the Time of Award:** The Purchaser reserves the right at the time of Contract award to increase or decrease the quantity of goods and services originally
specified in the Schedule of Requirements without any change in unit price or other terms and conditions.

31) Purchaser's right to accept Any Bid and to reject any or All Bids: The Purchaser reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to award of Contract, without thereby incurring any liability to the affected Bidder or bidders or any obligation to inform the affected Bidder or bidders of the grounds for the Purchaser's action.

32) Order Acceptance: The successful bidder should submit Order acceptance of the Purchase Order within 30 days from the date of issue, failing which it shall be presumed that the vendor is not interested and his bid security is liable to be forfeited. Failure of the successful bidder to accept the order shall constitute sufficient grounds for the annulment of the award and forfeiture of the bid security and call for new bids.

33) Penalty Clause: On breakdown of the Equipment, the maximum time to attend the complaint is 15 working days from the date of lodging of the complaint. Otherwise penalty charges of ₹1000/- (up to item value ₹10.00 lakhs) plus additional ₹25/- per lakh per day will be charged to the authorized service agent of the Manufacturer/ Supplier. Any rectification during the warranty/guarantee period should be done within 21 days from the date of report of the Service Engineer of the Manufacturer/Supplier for repair of the equipment in case of requirement of spare parts. Otherwise, the above penalty charges will again be imposed from the 21st day from the date of first report of the Service Engineer till rectification of the Equipment. The Manufacturer/Supplier is bound to extend the warranty/guarantee of the equipment equivalent to the number of days for which the equipment remains idle due to the break down. However, this institution will claim no extension of warranty/guarantee for the equipment lying idle due to break down for a total number of 24 days per year in the warranty/guarantee period. Both the Manufacturer/Supplier and their authorized service agent in this regard may furnish an undertaking along with the Price Bid.

34) Each page of the general terms and conditions supplied to vendor(s)/bidder(s) with the tender should be duly stamped and signed as a token of acceptance of all terms and conditions of the tender. No deviation in the terms and conditions of the tender notice will be accepted. The supporting documents should be duly stamped & signed by the Bider/Vendor, otherwise it will be rejected. No retyping of the general terms and conditions supplied to you is accepted. So Please submit our original general terms and conditions duly stamped and signed along with the technical bid in our format.

35) Packing: The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit. In case the packing is such that it is not conducive to supply at the destinations indicated, the Supplier shall be responsible for unpacking/repacking of the goods and its ultimate delivery at the destinations indicated.

36) Packing Instructions: Each package will be marked on three sides with proper paint/indelible ink, the following:
   iv) Supplier's Name and v) Packing list reference number.
37) **Incidental Services:** The supplier may be required to provide any or all of the following services, including additional services, if any at no extra cost:
- Performance or supervision of the on-site assembly and/or start-up of the supplied Goods;
- Furnishing of tools required for assembly and/or maintenance of the supplied Goods;
- Furnishing of detailed operations and maintenance manual for each appropriate unit of supplied Goods;
- Performance or supervision or maintenance and/or repair of the supplied Goods, for a period of time agreed by the parties, provided that this service shall not relieve the Supplier of any warranty obligations under this Contract; and
- Training if any, of the Purchaser's personnel, at the Supplier's plant and/or on-site, in assembly, start-up, operation, maintenance and/or repair of the supplied Goods.

38) **Spare Parts:** The Supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the Supplier:

(i) Such spare parts as the Purchaser may elect to purchase from the Supplier, providing that this election shall not relieve the Supplier of any warranty obligations under the Contract; and

(ii) In the event of termination of production of the spare parts:

(iii) Advance notification to the Purchaser of the pending termination, in sufficient time to permit the Purchaser to procure needed requirements; and

(iv) Following such termination, furnishing at no cost to the Purchaser, the blueprints, drawings and specifications of the spare parts, if requested.

39) **Inspection and Tests:** Inspection and tests prior to shipment of Goods and at final acceptance are as follows:

The Purchaser or its representative shall have the right to inspect and/or to test the Goods to confirm their conformity to the Contract specifications at no extra cost to the Purchaser. The Purchaser shall notify the Supplier in writing in a timely manner of the identity of any representatives retained for these purposes. The inspections and tests may be conducted on the premises of the Supplier or its subcontractor(s), at the point of delivery and/or at the Goods final destination. If conducted on the premises of the Supplier or its subcontractor(s), all reasonable facilities and assistance, including access to drawings and production data - shall be furnished to the inspectors at no charge to the Purchaser. Should any inspected or tested Goods fail to conform to the specifications, the Purchaser may reject the goods and the Supplier shall either replace the rejected Goods or make alterations necessary to meet specification requirements free of cost to the Purchaser. The Purchaser's right to inspect and test the Goods after the Goods' arrival at Project Site shall in no way be limited or waived by reason of the Goods having previously been inspected, tested and passed by the Purchaser or its representative prior to the Goods shipment.

(i) After the goods are manufactured and assembled, inspection and testing of the goods shall be carried out at the supplier's plant by the supplier, prior to shipment to check whether the goods are in conformity with the technical specifications attached to the purchase order. Manufacturer's test certificate with data sheet shall be issued to this effect and submitted along with the delivery documents. The purchaser if so desires shall be present at the supplier's premises during such inspection and testing. The location where the inspection is required to be conducted should be clearly indicated. The supplier shall inform the purchaser about the site
preparation, if any, needed for installation of the goods at the purchaser's site at the time of submission of order acceptance.

(ii) The acceptance test will be conducted by the Purchaser, their consultant or other such person nominated by the Purchaser at its option after the equipment is installed at purchaser's site in the presence of supplier's representatives. The acceptance will involve trouble free operation. There shall not be any additional charges for carrying out acceptance test. No malfunction, partial or complete failure of any part of the equipment is expected to occur. The Supplier shall maintain necessary log in respect of the result of the test to establish to the entire satisfaction of the Purchaser, the successful completion of the test specified.

(iii) In the event of the ordered item failing to pass the acceptance test, a period not exceeding two weeks will be given to rectify the defects and clear the acceptance test, failing which the Purchaser reserve the right to get the equipment replaced by the Supplier at no extra cost to the Purchaser.

(iv) Successful conduct and conclusion of the acceptance test for the installed goods and equipments shall also be the responsibility and at the cost of the Supplier.

(v) Manuals and drawings before the goods and equipments are taken over by the Purchaser; the Supplier shall supply operation and maintenance manuals together with drawings of the goods and equipments built. These shall in such details as will enable the Purchaser to operate, maintain, adjust and repair all parts of the works as stated in the specifications.

(vi) The Manuals and Drawings shall be in the ruling language (English) in such form and numbers as stated in the contract.

(vii) Unless and otherwise agreed, the goods equipment shall not be considered to be completed for the purposes of taking over until such manuals and drawing have been supplied to the Purchaser.

40) Training: The Supplier is required to train the designated Purchaser's technical and end user personnel to enable them to effectively operate the total equipment wherever indicated/necessary. Such training will be provided by the Supplier on-site or as indicated in the Specifications, free of cost.

41) If supply is not completed within the stipulated period and no extension at the period of supply is applied for and granted, this Institute reserves the right to make purchase from any other sources without sending any intimation of cancellation of the order placed with the Bidder/Vendor. If the Bidder/Vendor fails to execute the order(s) within the time period, as indicated in the tender/order for supplies or as mutually agreed to, the order will be cancelled and the security deposit will be forfeited by this Institute. They will also be liable for all damages sustained by the Institute for non-supply of equipment/article including the liability to pay any difference between the prices accepted by him and those ultimately paid by the Institute for the articles. The Dean and Principal, S.C.B. Medical College, Cuttuck will assess such damages and his decision in the matter will be final.

42) Subcontracts: The contract for supply cannot be sublet without the permission of the Dean and Principal, S.C.B. Medical College, Cuttuck. If required & permitted, then the Supplier shall notify the Purchaser in writing of all subcontracts awarded under this Contract if not already specified in the bid. Such notification, in his original bid or later, shall not relieve the Supplier from any liability or obligation under the Contract. Sub-contract shall be only for bought-out items and sub-assemblies.

43) The equipment/article supplied should strictly confirm to the specification, grades etc. quoted by the firm or to the samples supplied by the firm and accepted by this institute. If any of the

Dean and Principal
SCB Medical College, Cuttuck
equipment/article supplied by the Bidder/Vendor is found to be bad or unsound, un-merchantable, inferior in quality or not in accordance with the description or otherwise faulty or unfit for use or unwholesome, the price(s), of such equipment/article has already been made to the supplier, shall be refundable. If the payment has not been made, the tender will not be entitled to any payment whatsoever for such equipment/article.

44) Termination for Insolvency: The Purchaser may at any time terminate the Contract/Order by giving written notice to the Supplier, if the Supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the Purchaser.

45) Disqualification of Tenders:

Tenders are liable for rejection if they are not in line with the terms and conditions of this tender notice.

Conditional quotations/tenders will not be considered.

Incomplete tenders & tenders not made in the prescribed format/tenders without required documents/tenders without EMD/EMD value found in Technical Bid will be rejected. Tenders submitted after the closing date and time will not be entertained and this Institute will not be responsible for refund of the same. The tender document is not transferable.

Tenders for more than one item submitted in a single envelope.

46) Other Important Clauses: This Tender is not transferable. All enclosed tender documents along with the Annexure/Attachments will form part of the tender. Tenderer(s) shall return the completed tender set duly signed and stamped at the end of each page in token of having read, understood and accepted the terms and conditions. All signatures in tender document shall be dated as well as all the pages of all sections of the tender documents shall be stamped and signed by the Tenderer or by a person having Power of Attorney authorizing him to sign on behalf of the tenderer before submission of tender. The prices quoted by the Tenderer shall be firm during the validity period of the bid and Tenderer agrees to keep the bid alive and valid during the said period. In case the tenderer revokes or cancels the tender or varies any of terms of the tender without the Consent of the Owner, in writing, the Tenderer forfeits the right to the refund of the Earnest Money paid along with the tender. Tenders received after the stipulated date and time for receipt of the tenders, due to any reason will not be considered.

This Institute shall not be bound to accept the lowest tender and reserves right to accept any or more tenders in part. Decision of the Dean and Principal, S.C.B. Medical College, Cuttack in this connection shall be final. This Institute will not be responsible for the cost incurred in preparation and submission of bids including the cost of digital certificate, regardless of the conduct of outcome of the bidding process. This Institute shall not be responsible for any expenses incurred by bidders in connection with the preparation & submission of their bids, site visit and other expenses incurred during bidding process. Fax/e-mail bids shall not be accepted.

UNSOCCILTED POST BID MODIFICATION

Bidders are advised to quote strictly as per terms and conditions of the Bidding Document and not to stipulate any deviation/exceptions. After tender submission due date & time/extended due date
& time (as the case may be) the bidders shall not make any subsequent price changes, whether resulting or arising out of any technical / commercial clarifications sought/allowed on any deviations or exceptions mentioned in the bid unless discussed and agreed by this institute in writing.

REBATE

No suo-moto reduction in prices quoted by bidder shall be permitted after tender submission due date & time/ extended due date & time. If any bidder unilaterally reduces the prices quoted by him in his bid after opening of bids, the bid (s) of such bidder(s) will be liable to be rejected. Such reduction shall not be considered for comparison of prices but shall be binding on the bidder in case he happens to be a successful bidder for award of work.

47) Liquidated damages: The date of delivery mentioned in the order should be strictly adhered to, otherwise the Dean and Principal, S.C.B. Medical College, Cuttack reserves the right not to accept the delivery in part or full and to claim liquidated damages @ 1% per week or part thereof subject to a maximum of 10% of the total value of the supply order.

48) Merely issue of tender documents to the intending bidders or submission of tenders by the bidders does not make them eligible for award of the order. Vendors/Bidders are requested to carefully study the terms and conditions and eligibility criteria before submitting the offers.

49) If any cheating or forgery is found at any moment, the Dean and Principal, S.C.B. Medical College, Cuttack holds the right to forfeit the EMD or Security money and is empowered to take legal action as deemed fit. This institute reserves the right to take action as deemed fit which is inclusive of placing the tenderer under suspension / holiday for a period as decided by the Dean and Principal, S.C.B. Medical College, Cuttack, in case of withdrawal of offer at any stage, non-acceptance or non-execution of order or any other breach of tender terms and conditions. In case of any dispute in the interpretation of the terms and conditions of the tender, the decision of the Dean and Principal, S.C.B. Medical College, Cuttack shall be final and binding.

50) The TECHNICAL BID, PRICE/ FINANCIAL BID and EMD after properly sealed (preferably wax/ cello tape seal) in three separate envelopes (super scribed as TECHNICAL BID/PRICE BID/EMD FOR SUPPLY OF SCIENTIFIC EQUIPMENT with Item No. __________, Name of the Item: __________, Tender Notice No. ____________...) should be sent in a single sealed (preferably wax/ cello tape seal) envelope super scribed as “SUPPLY & INSTALLATION OF Scientific Equipment vide Sealed Tender Notice No. ____________, Item No. __________, Name of the Item: __________, Due on __________” to the Dean & Principal, S.C.B. Medical College, Cuttack. It may be noted that if any tender received without super-scribing the above, especially the Item No. / Name of the item, then that tender / quotation will not be opened i.e. it will be rejected. If the outer envelope is not sealed and marked as above, the Purchaser will assume no responsibility for the bid's misplacement or premature opening. Please send your above sealed tender(s) preferably by Govt. Registered / Speed Post only.

Tender(s) brought by post / courier after the closing date and time will not be entertained and this institute will not be responsible for refund of the same. This institute shall not be responsible for any postal delay/any other difficulties in receipt and submission of tender within the above stipulated dates. Tenders received by fax / e-mail will not be entertained.

Dean and Principal
SCB Medical College, Cuttack
51) The Dean and Principal, S.C.B. Medical College, Cuttack reserves the right to accept/reject any/all the tenders in part or in full without assigning any reason thereof. The Dean and Principal, S.C.B. Medical College, Cuttack is also not bound to accept the lowest or any bid under this tender process. This institute reserves the right to reject offers not meeting its Technical requirements and commercial conditions. Orders will be finalized on overall lowest quoted delivered cost. Bids shall be evaluated on the basis of landed cost at site, including all duties, taxes, freight etc. This institute reserves the right to accept any tender in whole or in part or reject any or all tenders without assigning any reason. This institute reserves right to accept any or more tenders in part. Decision of this institute in this regard shall be final and binding on the bidder. No disputes could be raised by any tenderer(s) whose tender has been rejected. This institute shall follow purchase preference / price preference as per prevailing guidelines of Government of India.

52) The court situated at Cuttack shall have jurisdiction to decide any dispute or litigation, if arises in future, beyond the above-mentioned rules and regulations. The resultant contract will be interpreted under Indian Laws.

The Bidders/ Vendors are requested to sign on each page of the General Terms & Conditions as a token of their acceptance of the terms & conditions of this institute. They are requested to give their offer as per the price/financial format supplied with this tender notice on their letter head. The tenders/quotations not submitted in the Technical & Price format will be rejected. Please submit this tender notice (you may submit the same copy received from this office or you can retype this tender notice without any modification) duly signed on each page otherwise your tender will not be considered.

TERMS AND CONDITIONS

(Sealed Tender Notice No.: .................................................. dated ............................................)

1. Name & Address of the Manufacturer/ Dealer
(To whom purchase order will be addressed)
Telephone No(s): ...........................................
Fax No(s): .............................................
E-mail: ..................................................
Website: .............................................

2. Payment Condition: Only through A/C. Payee Cheque
(Payment will be made within thirty working days (approx.) after successful fixing/installation and satisfactory performance of the instrument/article supplied. No other payment condition will be considered than the above)

3. (A) Guarantee/Warranty: Two years Warranty and Five Years of CMODMC (Total Five Years)
(From the date of successful installation at SCB MC, CTC. Guarantee/Warranty for a shorter period will be rejected)

4. Penalty Clause:
On breakdown of the equipment, the maximum time to attend the complaint is 15 working days from the date of lodging of the complaint. Otherwise penalty charges of ₹1000/- (up to item value ₹10,000/-) plus additional ₹25/- per day per item will be charged to the authorized service agent of the Manufacturer/ Supplier. Any notification during the warranty/guarantee period should be done within 21 days from the date of report of the Service Engineer for repair of the equipment in case of need of spare parts. Otherwise, the above penalty charges will again be imposed from the 21st day from the date of first report of the Service Engineer till rectification of the equipment. The Manufacturer/Supplier is bound to extend the warranty/guarantee of the equipment equivalent to the number of days for which the equipment remains idle due to the break down. However, SCB MC, CTC will claim no extension of warranty/guarantee for the equipment lying idle due to break down for a total number of 24 days per year in the warranty/guarantee period. Both the Manufacturer/Supplier and their authorized service agent in this regard may furnish an undertaking along with the Price Bid.

5. Validity of the Tender: Minimum up to One Year
6. Delivery Period: __________ Days / Months (at best 3 months)
7. Installation/Demonstration and training (if chargeable, then clearly mention the amount)
8. Items required for Installation: __________ (to be arranged by SCB MC, CTC / You? Please mention)

(a) Electrical Items
(b) __________

Any other terms:
(In case the price bid of more than one item happens to be equal, priority will be given to the item which will arrange the above at its own cost)

9. Minimum space required for Installation:

I, the undersigned, hereby acknowledge that I have read, understand and agree to be bound by all the terms and conditions mentioned in the Sealed Limited Tender Notice No.: .................................................. dated .................. of SCB Medical College, Cuttack, Odisha, India

I We hereby undertake that all the above information provided by me/us are true. The specifications of the above equipment(s)/item(s) are equal or superior as per your tender / as per our technical bids submitted with you. If any cheating or forgery is found at any moment, the Director, Institute of Life Sciences holds the right to forfeit my/our EMD or Security money and is empowered to take legal action as deemed fit against me/us.

EMD / BID SECURITY FORM

To:

Dean and Principal,
S.C.B. Medical College, Cuttack.

Whereas ................................................. (hereinafter called “the Bidder”) has submitted its bid dated........................................ (Date of submission of bid) for the supply of........................................ (Name and/or description of the goods) (hereinafter called “the Bid”) vide Sealed Limited Tender No. ................................................ of S.C.B. Medical College, Cuttack.

KNOW ALL PEOPLE by these presents that WE ........................................ (Name of bank) of........................................ (Name of country), having our registered office at ........................................ (Address of bank) (Hereinafter called “the Bank”), are bound unto S.C.B. Medical College, Cuttack (Name of Purchaser) (Hereinafter called “the Purchaser”) in the sum of ........................................ for which payment well and truly to be made to the said Purchaser, the Bank binds itself, its successors, and assigns by these presents. Sealed with the Common Seal of the said Bank this ___ day of ________.

THE CONDITIONS of this obligation are:

a. If the Bidder withdraws its Bid during the period of bid validity specified by the Bidder on the Bid Form; or

b. If the Bidder, having been notified of the acceptance of its bid by the Purchaser during the period of bid validity:
   (a) SCB MC, CTC or refuses to execute the Contract/ Order Form if required; or
   (b) SCB MC, CTC or refuses to furnish the performance security deposit, in accordance with the Purchase Order of S.C.B. Medical College, Cuttack.

We undertake to pay the Purchaser up to the above amount upon receipt of its first written demand, without the Purchaser having to substantiate its demand, provided that in its demand the Purchaser will note that the amount claimed by it is due to it, owing to the occurrence of one or both of the two conditions, specifying the occurred condition or conditions. This guarantee will remain in force up to and including forty-five (45) days after the period of the bid validity, and any demand in respect thereof should reach the Bank not later than the above date. ........................................

</table>
| 1     | CO2 INCUBATOR with Regulator | 1   | 1. CO2 incubator with 170 L of internal capacity.  
2. Temperature management: 5°C above ambient to 50°C with increment of 0.1°C  
3. Temperature accuracy: ±0.4°C at 37°C  
4. Temperature uniformity: ± 0.3°C at 37°C  
5. CO2 gas range: 0.1 – 20% with control increment of 0.1%  
6. CO2 gas accuracy: ± 0.3% at the specified Relative Humidity (RH) at 37°C and ambient 22°C  
7. CO2 gas uniformity: ± 0.1% at 37°C and ambient 22°C across the chamber  
8. CO2 recovery rate: at least of 6 min after door closing to attain 5% CO2  
9. Should have six-sided direct heating elements to ensure even distribution of heat throughout the entire incubator chamber  
10. Should come with a removable humidity tray for easy cleaning and refilling of distilled water  
11. Should be “fan less” design to reduce chance of contamination, reduce noise level, minimum air turbulence and bigger usable capacity  
12. CO2 sensor: Dual Channel Infra-Red (IR), NDIR type with auto-calibration features to ensure accuracy of sensor automatically  
13. High-Temperature Disinfection (HTD) of at least 140°C for 2 hours  
14. Shelves: standard 3 perforated stainless-steel shelves of 1.5 mm thickness  
15. Display: 5inch LCD/ LED display for control of temperature and alarms  
16. Should have separate single inner glass door and options for 4-split inner doors or 8-split inner doors  
17. Should come with an inline pressure regulator to ensure less gas consumption and prevent overshooting of pressure which shortens life span of incubator  
18. The inner chamber should be single piece of stainless-steel sheet without welds or joints and seamless design with no corners for ease of cleaning  
19. The system should have BMS relays built in and option to incorporate onto Data monitoring and documentations modules  
20. Should have optional building management system relays  
21. Should have optional incubator software command which allows tracking key operational information such as time, temperature, CO2 concentration and humidity  
22. 3 KVA Servo Stabilizer, Co2 gas cylinder with 30kg Co2 gas capacity & ISI mark double stage Co2 gas regulator must be supplied |
| 2     | Nano Drop             | 1   | Compact UV – VIS spectrometer to quantify undiluted nucleic acids at nanolitre volume (1.5 μl), other biomolecule analysis using standard volumes stand-alone or computer controlled instrument. Optical system - single-beam spectrophotometer with reference beam or double beam |
Light Source: Xenon flash lamp or better
Receiver: CMOS photodiode array/ photodiode array
Wavelength range: 200 ± 10 nm to 830 ± 10 nm
Wavelength Selection: Method-dependent, freely selectable
Spectral bandwidth: 1.8 to 4 nm
Sample volume: 1.5μl to 2ml
Wavelength increment: 1 nm
Systematic wavelength error: ±1 nm
Random wavelength error: ±0.5 nm
Photometric measuring range: 0.0 to 3.0 A at 260 nm
Photometric reading accuracy: AA = 0.001
Random photometric error: ≤ 0.002 at A = 0, ≤ 0.005 (0.5%) at A = 1
Systematic photometric error: ±1 % at A = 1
Cuvette type & quantity: Disposable Cuvette- 200 pcs, Standard Quartz cuvettes - 1 pair, &
Microliter cuvette or pedestal system: 1pc
Methods: Absorbance with one or more wavelengths, scans
- Nucleic acids, Proteins, OD 600, dye labeling
- Evaluation via factor, standard and calibration curve
- Dual wavelength with subtraction and division evaluation
Method dependent evaluation: Absorbance, concentration via factor and standard
- Concentration via standard series using
- Linear regression, Nonlinear regression with 2nd and 3rd degree polynomials
- Spline analysis
- Linear interpolation (point to point evaluation)
- Absorbance allocation via subtraction and division
- Ratio 260/280, 260/230, molar concentration and total yield for nucleic acids
- Frequency of incorporation of Cy3, Cy5 dyes and labeling density
- Spectral zoom and peak evaluation for scans
- Modification of time frame for regression evaluation
Display: Inbuilt 5.7” VGA TFT display
Interfaces: USB stick; USB for PC connection; port for thermal printer
Memory: Approximately 100 method programs on the instrument
Power supply: 100 to 240 V ± 10% / 50 to 60 Hz ± 5 %
Power consumption: Approx. 30 Watt

3 -80°C Freezer

2

1. Capacity: 400 Lt. to 450 Lt. internal volume
2. Sample capacity: Holds up to 24,000 to 26,000 samples in 2 inch tall box
3. Insulation: Polyurethane foam, 5 1/2", 130 mm thick
4. Exterior: 18 gauge steel 1.2 mm thick. Powder coated, scratch and rust resistant
5. Interior: polished 304L stainless steel

*Scientific Grade EVO 6 CCD camera with lens: f/0.64 aperture must for high sensitivity.*
6. Inverted Fluorescence Microscope with Phase Contrast Attachment

| 6 | Microscope Type: Inverted Fluorescent microscope with advanced fluorescence Applications and CCD based Imaging. Should have large, stable bearing mounted Microscopy stand and should have provision to attach camera of the left side port with light sharing ratio of 0:100
Field of View: FOV for camera should be minimum 19 mm.
Focusing: Should have provision of 2 focusing (both coarse and fine knobs) with travel range of 5 mm or more.
Observation Tube: Should have biconvex observation tube with 45 degree viewing angle.
Transmitted Illumination: Should be provided with the provision of transmitted light of continuously variable luminance Adjustment of brightness with field diaphragms. LED based transmitted light illumination (min of 500K white light LED) having long life and inbuilt fast shutter
Contrast methods: Inverted microscope should have bright field, Phase and fluorescence based contracting methods.
Stage: Stage with The XY sample movement, should have with universal sample holder for plates, glass slides, Petri plates, slides etc.
Objective Nosepiece: Should have objective nosepiece for holding minimum 6 objectives.
Condenser: Microscope should have a condenser with switchable condenser head. Condenser should enable collection of up to 21 unique combination of wavelengths during a single run for multiplexing five colour or above.
7. The system should utilize a bright white LED source, excitation by LED light source with a > 5 years lifespan and detection by CMOS/CCD with whole plate imaging and detection.
8. The system should be factory calibrated for the following FAM/SYBR Green, VIC/JOE/HEX/TET, A/E/Y/NED/TAMRA/Cy5@3, JUN, ROX/Texas Red Dyes.
9. The system should be able to do applications such as Gene Expression, Genotyping, Copy Number Vibration, Pathogen Detection, Strain Typing and Viral Load, Mutation Scanning, Methylation and other Epigenetic Applications, miRNA profiling, protein analysis with proximity ligation assays and protein thermal shift technology.
11. System should detect differences in target quantity as small as 1.5 fold in singleplex reactions and should have 10 logs of linear dynamic range.
12. Single plate analysis absolute and relative gene expression, SNP genotyping, presence/absence, high resolution melt, multiplex analysis Gene expression studies, SNP genotyping studies.
13. The normalisation of reaction due to non-PCR related fluctuations should be possible by using any calibrated dye.
14. The system can be connected to the online ecosystem and instrument data/status will be automatically uploaded, allow users to access and security share result with colleague anywhere, anytime from any location with internet access.
15. System should come with data analysis software (15" Laptop with 16GB RAM, Intel Core i5 processor 2.6 GHz 250 GB HDD, Windows 10 professional 64 bit) and 2 KVA UPS with minimum 30 Min back up.
Fluorescence Turret: Fluorescence filter turret with minimum of 6 positions should have adjustable aperture and field diaphragms. Should have body built 4/5 position high intensity filter wheel/slider.

Fluorescence Illumination: Fluorescence should be provided with cooled white light LED source (having minimum life span of 20,000 hrs).

Fluorescence Filter: Should have separate fluorescence filter for (i) DAPI (excitation: 350/30 dichroic: 400, emission: 400/50), (ii) FITC (excitation: 480/40, dichroic: 505, emission: 527/30) and (iii) RHOD (excitation: 546/10, dichroic: 510, emission: 585/40). All fluorescence filters should be free from any pixel shift.

High Resolution objectives: Plan SX, Plan10X/0.25 PH, Plan Long Working 20X/0.35PH

Plan Long working 40X/0.65 with Correction collar PH, PlanFluorite 100X/1.32 PH Oil.

Eye Piece: Eye piece should have field view of 10X/22mm or above.

Camera: Microscope should be provided with separate high sensitivity & resolution cool CCD digital camera dedicated for microscopy use. Cooled CCD camera should be able to work in high sensitive mono mode for fluorescence imaging and also color mode for chromogenic sample Imaging. Camera should have minimum 7 Megapixel Image Resolution, Exposure time for camera: 1 msec or less – 600 sec or more. Should be fitted along with microscopy 0.5X, 0.7X C-mount for side port.

Software: Software should have options for Image capture, analysis, fluorescence merging, interactive measurement etc.

Microscope, Camera & Software should be from the same manufacturer for better compatibility.

Intel Core i5 processor, 1TB HDD, 4GB RAM, 2GB NVIDIA Graphics card, 22 inch monitor, Key board, mouse and 1KVA UPS

7 Microtome

1 Designed for effortless manual sectioning via a counter-balanced, exceptionally smooth-running hand wheel. Instrument with X/Y specimen orientation. Fast exchange system for specimen clamps. Both Universal Cassette Clamp & Standard Clamp. Personalized User Selectable Coarse Feed wheel turn direction, either Clockwise or Anti-Clockwise to suit user's preference. Retraction on/off function. Two mechanical trim sets at 10 µm, 50 µm: (50 µm coarse, 10 µm fine). Blade holder for disposable blades—must be for both high & low profile with standard specimen clamp. The object head with -/+8° X/Y orientation equipped with a fast specimen clamp exchange system for improved workflow. Storage space on top of the instrument housing provide room for sectioning tools and accessories. The instrument feature a low-maintenance micrometer feed system with backlash. Maintenance-free vertical cross-roller guides and horizontal specimen feed via precision cylinder guide system. Distortion-resistant base plate ensure optimum overall stability. The vertical stroke of 59 mm, Horizontal specimen travel range of 25 mm. Allow to section specimens up to a size of 50 mm x 40 mm x 40 mm. Ergonomically designed hand wheel grip. Hand wheel lockable in any position via brake lever attached to base plate. Lockable hand wheel in upper position.

<td>8</td>
<td>Transblot System</td>
<td>1</td>
</tr>
</tbody>
</table>

The Trans-Blot Turbo Transfer System is a high-performance western blotting transfer system designed to provide rapid transfers with high efficiency. The system enables blot transfer of protein in as little as 3 minutes without sacrificing performance when compared with traditional tank protein blotting. The Trans-Blot Turbo Transfer Packs include an optimized buffer, membrane, and filter paper combination that provides superior blot transfers when paired with the Trans-Blot Turbo blotting apparatus. Protein blotting consumables are available in a ready-to-use, pre-packaged stack or in bulk quantities that require assembly.

Features and Benefits of the Trans-Blot Turbo Transfer System:
- Rapid blot transfer — 3 min transfers of mini or midi gels
- High throughput — can transfer 1-4 mini or 1-2 midi gels in a single run
- Greater transfer efficiency — higher transfer efficiency than other protein blotting methods
- Flexible design — allows the user to customize transfer conditions and is compatible with traditional semi-dry consumables
- Warranty: FIVE year
- Environmentally friendly — environmentally safe consumables eliminate disposal cost

Speed Range: 2.5cm orbit 25-500 rpm, > 5.1cm orbit 25-300 rpm
Orbit Options: > 2.5cm (1.0 in), > 5.1cm (2.0 in)
Placement/Orientation: Floor Standing

Location conditions: Operating temperature range 10°C to 35°C, Temperature range during storage 5°C to 55°C, Relative humidity max. 80%, non-condensing, Storage humidity < 80%.

Technical Information:
Section thickness setting range 0.5–60 μm, Section thickness selection from 0.5–2 μm in 0.5 μm-steps, from 2–10 μm in 1 μm-steps, from 10–20 μm in 2 μm-steps, from 20–60 μm in 5 μm-steps, Total horizontal specimen feed 25 mm, Vertical specimen stroke 59 mm. Specimen retraction ON/OFF. Specimen orientation: Horizontal 8° & Vertical 8° with Rotation ± 90°.

Dimensions and weight should be lean & compact — must occupy lean work space in lab.
Must include Sturdy Waste Tray. Should have more than 10 installation in Odisha, with at least 25-30 installations in East India, with 50% being in reputed Govt institutions. Must be Imported Model with both European CE & USFDA Certified. Standard Warranty of 1 year must apply. Should have proven & dedicated Service Support only for East India, having dedicated company office in East with a team of factory-trained Company service engineers (at least 3 persons) headquartered in Kolkata/East India, for prompt support across the region.
