Plan for the next month awareness programme:

2. Organise awareness meeting in Anganwadi, School and Colleges.
3. Meeting with hospital management.

12. DATA MANAGEMENT :

k. Submission of Daily Data on Transplantation to ROTTO and NOTTO:

Under the guidance of Joint Director (SOTTO), the Consultant (IEC/Media) coordinated and submitted the daily data on transplantation to ROTTO and NOTTO without fail. Along with that the excel sheet with information detailing the name of the recipient and donor has also been submitted to ROTTO and NOTTO on daily basis. In this month 17 nos. of live kidney transplantation had been done. Out of the

17, APOLLO-3, AMRI-5, AIIMS-2, CARE-4, Kalinga-2 & SUM ULTIMATE-1. The consolidated data for August 2023 was submitted to NOTTO and the office of the DMET Odisha by mail.

l. Updating of waiting list:

Under the guidance of the Joint Director (SOTTO), the TC updated the waiting list as per the waiting list submitted by the individual hospital. As of August 2023, Total Patients in Waiting List is 108 (O+ve are 47, A+ve are 28, B+ve are 27 and AB+ve are 6).

Plan for the next month for data management:

18. Visits to hospital like Hi-Tech Hospital(Bhubaneswar), Kalinga Hospital(Bhubaneswar) and Care Hospital(Bhubaneswar)

13. Identification of Brain Death Patients in hospital:

k. Coordination with Hospital for identifying brain death:

On 28th August, 2023, a brain death patient was identified Hi-Tech Hospital, Bhubaneswar. The hospitals were told the procedure for carrying out the activity and the documentation for the cadaver transplant. After 2 hours of counselling and coordination with the family by the Consultant (IEC/Media), SOTTO the family agreed for the donation but the donation could not be materialised as the patient was declared dead by cardiac arrest at 4.30 pm on 28.08.2023 in the ICU.

l. Visits to ICUs in SCB MCH, Cuttack :

In an effort to identify brain death patients in the ICUs of SCB MCH, Cuttack, the Consultant IEC/Media and Programme Asst. of SOTTO visited the Trauma and Central ICU in SCB MCH, Cuttack and had discussion with the doctors and in-charge sisters about the presence of brain death in these ICUs.

Plan for the next month for data management:

10. Visits to hospital and discussion with the ICUs in charge in the hospital.

11. Streamlining the reporting mechanism on brain death.

14. Other regular activities:

- Counselling of patients coming for registration in waiting list.
- Entry of pledge form into NOTTO website and generation of donor card.
- Coordination with hospital and patients.
- Several discussions with the Ministry for allocation of funds to SOTTO.
- Coordination with recipient of Suraj Award 2023 for making themselves available on 3rd August 2023 for receiving the award.
