Dr. Bibhuti Bhusan Nayak
M.S (Surgery), FMAS
JOINT DIRECTOR
State Organ & Tissue Transplantation, Odisha
Joint Director cum Technical In-charge,
SOTTO, Odisha.

Monthly Work Done Report

Month: July, 2023

9. AWARENESS PROGRAMME:

k. Meeting with various personnel for organizing awareness programme

The team SOTTO under the guidance of the Joint Director, SOTTO met official of various office for organizing awareness programme to celebrate the Indian Organ Donation Day 2023. Out of these the Doordarshan agreed to have a panel discussion, hospital like Apollo, IMS & SUM and Sum Ultimate agreed to organise workshop, planning was made to release a paper advertisement on 3rd August 2023 with the Hon'b CM picture, seminar with civil societies such as ABMMS and Jeevandhan.

Plan for the next month awareness programme:

1. Celebration of Organ Donation Day.

10. DATA MANAGEMENT :

h. Coordination with all the hospital for collection of transplant data:

All the transplanting hospital were sensitized through discussion the process to send in transplant data to SOTTO for onward transmission of data to ROTTO and NOTTO. All the hospital agreed to submit data as per the requirement within the dead line. After much deliberation from the State Nodal Officer, SOTTO, the SCB Medical College agreed for the submission of data to SOTTO.

i. Submission of Daily Data on Transplantation to ROTTO and NOTTO:

Under the guidance of Joint Director (SOTTO), the Consultant(IEC/Media), SOTTO coordinated and submitted the daily data on transplantation to ROTTO and NOTTO without fail. Along with that the excel sheet with information detailing the name of the recipient and donor has also been submitted to ROTTO and NOTTO on daily basis. In this month 13 nos. of kidney transplantation had been done. Out of the 13, APOLLO-4, AMRI-6, AIIMS-1, CARE-1, & IGKC-1 .

j. Updating of waiting list:

Under the guidance of the Joint Director (SOTTO), the TC updated the waiting list as per the waiting list submitted by the individual hospital. As of July 2023, Total Patients in Waiting List is 100 (O+ve are 44, A+ve are 27, B+ve are 23 and AB+ve are 6).

Plan for the next month for data management:

15. Visits to hospital like Apollo, Sum Ultimate and IMS & SUM Hospital.

16. Identification of Brain Death Patients in hospital:

i. Coordination with Hospital for identifying brain death:

On 23rd July, 2023, a brain death patient was identified SUM Ultimate Hospital, Bhubaneswar. The hospital were told the procedure for carrying out the activity and the documentation for the cadaver transplant .The brain death could not processed into organ donation as the family denied for doing any such donation.

j. Visits to ICUs in SCB MCH, Cuttack :

In an effort to identify brain death patients in the ICUs of SCB MCH, Cuttack, the Transplant Coordinator, SOTTO visited the Trauma and Central ICU in SCB MCH, Cuttack and had discussion with the doctors and in-charge sisters about the presence of brain death in these ICUs.

Plan for the next month for data management:

8. Visits to hospital and discussion with the ICUs in charge in the hospital.
9. Streamlining the reporting mechanism on brain death.

17. Other regular activities:

- Counselling of patients coming for registration in waiting list.
- Entry of pledge form into NOTTO website and generation of donor card.
- Coordination with hospital and patients.
- Several discussions with the Ministry for allocation of funds to SOTTO.
- Coordinated with the prospective recipient of Suraj Award for 2023 for collecting relevant documents.
