## DEPARTMENT OF CLINICAL HAEMATOLOGY

S.C.B Medical College & Hospital, Cuttack-753007

Letter No. 971/CH

DT: - 18.12.2024

To,  
The Dean & Principal,  
S.C.B. Medical College,  
Cuttack

**Sub: Inclusion of two outstanding achievements of this department in the website of SCBMC, Cuttack (Home Page): Regarding**

- 1. Centre of Competency (CoC) for Sickle Cell Disease and Other Hemoglobinopathies; Declared by Ministry of Tribal Affairs (MoTA), Govt. of India**
- 2. Model Day Care Centre with availability of dedicated all components of holistic healthcare services; Declared by NHM, Govt. of Odisha**

Madam,

In reference to the above mentioned subject, I am to inform you that –

- MoTA, Govt. of India has declared SCB Medical College & Hospital as the “**Centre of Competency (CoC) of Sickle Cell Disease and other Hemoglobinopathies**” of the Odisha state. In fact, this is the only CoC of Odisha state and SCBMCH qualified to be declared as CoC as a 1<sup>st</sup> institution in the entire country. This CoC of SCBMCH will function as a Nodal Centre for SCD and Hb Pathies of the entire state.
- NHM, Govt. of Odisha has declared the existing Day Care Centre of this department to “**Model Day Care Centre**” with dedicated all components of holistic healthcare services; electronic OPD Registration, OPD services, Laboratory Facilities, Treatment Facilities, Drug Distribution Centre and Counseling etc. This is the 1<sup>st</sup> Model Day Care Centre of the state and country.

Thus I would request you to include these two information in the website of SCBMC in the Home Page.

This is for your information and necessary action.

Yours Faithfully,

18/12/24

(Dr. Sudha Sethy)  
Assoc. Professor & HOD  
Dept. of Clinical Haematology
